Theresa,

I am going over on the 23rd to review documents at Tourism. I have no idea how many documents they have, but again, it should not be that many (less than 10 boxes). I think I really mean it this time. The General Counsel is meeting with staff this afternoon and I should have a better idea on the amount of boxes. I will let you know and Rick and I will get back to you on the ESI conference soon.
